

ACI CONCRETE FLATWORK FINISHER/TECHNICIAN CERTIFICATION

Review and Exam Package

All Applicants - \$300 per person

This package includes the ACI Craftsman Workbook (CP-1005), a 2-3 hour review session, and the written exam. In order to obtain the Flatwork Finisher Certification an applicant must pass the written exam and must turn in a minimum of 4,500 hours of approved work experience using a form to be provided (note - the Arizona Chapter does not currently conduct any performance exams). Applicants who do not possess 4,500 of field experience, but who pass the written exam, will be awarded certification as a Flatwork Technician. Go to www.concrete.org/certification for more information from ACI on this certification program.

Future Session - \$300

Sessions can be scheduled on demand for groups of 5 or more people. Additional fees may apply to groups under 10, or sessions scheduled outside of Phoenix.

Written Re-Test Only - \$145

Applicants who need to take a written re-test only due to not passing at a previous test session can apply for a written re-test. These re-tests are conducted during other scheduled testing sessions so you must call for a date.

To schedule a certification session for your group, please call Jim Rogers at 602-635-3774 x101. If you have less than 5 people, call to put your name on a waiting list. Sessions are scheduled as soon as enough people are registered.

ACI TILT-UP SUPERVISOR & TECHNICIAN CERTIFICATION PROGRAM

Review and Exam Package

All Applicants - \$300 per person

This package includes the ACI Tilt-Up Supervisor and Technician Reference Guide (CP5007), a 2-3 hour review session, and the written exam. In order to obtain the Tilt-Up Supervisor Certification an applicant must pass the written exam and must turn in a minimum of 7,500 hours of approved work experience using a form to be provided (note - see ACI requirements regarding work experience requirements at the web site listed below). Applicants who do not possess 7,500 of approved field experience, but who pass the written exam, will be awarded certification as a Tilt-Up Technician. Go to www.concrete.org/certification for more information from ACI on this certification program.

Future Session - \$300

Sessions can be scheduled on demand for groups of 5 or more people. Additional fees may apply to groups under 10, or sessions scheduled outside of Phoenix.

To schedule a certification session for your group, please call Jim Rogers at 602-635-3774 x101. If you have less than 5 people, call to put your name on a waiting list. Sessions are scheduled as soon as enough people are registered.

ACI COMMERCIAL/INDUSTRIAL FLATWORK FINISHER CERTIFICATION

This is a new certification program from ACI. Many of the large facility owners that have been requiring the Flatwork Finisher Certification are expected to begin requiring this new certification in the future. **It is important to note that you must have a prior or current certification as an ACI Flatwork Finisher or Technician in order to take this new certification exam.**

Currently ACI will be offering this program at World of Concrete (Las Vegas) in February 2009 and will have additional information about its availability after that program has been completed.

TERMS AND CONDITIONS - Sessions may be canceled or rescheduled by applicant prior to 14 days of the session date without incurring any charges. Canceling or rescheduling within 13 days of the session date will incur a \$100 fee. If you do not cancel your registration and fail to show up for your scheduled session, the entire registration fee will be forfeited. Recording of the review and testing sessions is prohibited. Copyright of review and testing materials is retained by the producer and the attendee is not to copy or reproduce these materials in any way. The Arizona Chapter of ACI hosts and produces these sessions—The American Concrete Institute owns and governs the Certification Programs and makes all final decisions on certification status. Sessions may be changed or cancelled by the Chapter at any time. Session attendance is limited in size, registrants are scheduled on a first come first served basis. Incomplete registration submittals will not be processed. Additional sessions may be scheduled—visit www.azaci.org for the latest schedules and availability or call 602-334-4854.

Payment must be made with this application form in order to be scheduled. One application per person per session.
