

ACI CONCRETE FIELD TESTING TECHNICIAN GRADE I RE-CERTIFICATION

These testing sessions are being offered as an alternative to our review/exam packages and are primarily meant for people who have already been certified and need to take the written and performance exams to get re-certified. These testing only sessions do not include any review sessions or study materials, and there is no question and answer session prior to beginning the exams. Those wanting to study on their own may also order the ACI Field Testing Technician Workbook by checking the appropriate box below. Reviewing this manual prior to taking the exam is strongly suggested since the requirements for concrete sampling and testing methods may have changed since you last took the certification exam.

Exam Package (includes written and hands-on exams)

Chapter Members - \$275

Non-Members - \$300

August Session - PHOENIX
Written & Performance (Hands-On) Exam 8/9

October Session - PHOENIX
Written & Performance (Hands-On) Exam 10/11

Option - Purchase the latest edition of the ACI Field Testing Tech Workbook
Add \$50.00 - manual will be shipped with your confirmation letter

NOTES:

1. If you want to sign up for one of the packages that includes classroom and hands-on reviews, please use the separate form that is provided for these packages
2. Do not use this form to register for single re-tests (written only or performance only)
3. All of these exams are closed book tests

TERMS AND CONDITIONS - Sessions may be canceled or rescheduled by applicant prior to 14 days of the session date without incurring any charges. Canceling or re-scheduling within 13 days of the session date will incur a \$100 fee. If you do not cancel your registration and fail to show up for your scheduled session, the entire registration fee will be forfeited. Recording of the review and testing sessions is prohibited. Copyright of review and testing materials is retained by the producer and the attendee is not to copy or reproduce these materials in any way. The Arizona Chapter of ACI hosts and produces these sessions—The American Concrete Institute owns and governs the Certification Programs and makes all final decisions on certification status. Sessions may be changed or cancelled by the Chapter at any time. Session attendance is limited in size, registrants are scheduled on a first come first served basis. Incomplete registration submittals will not be processed. Additional sessions may be scheduled—visit www.azaci.org for the latest schedules and availability or call 602-334-4854.

Payment must be made with this application form in order to be scheduled. One application per person per session.
